Call-for-Papers

2010 National Conference on Electronics, Computers and Communications (NCECC-2010) will be held 06-07 March 2010 at Gwalior, India. The conference is being organised by IETE Gwalior Sub Center and CSI Gwalior Chapter. We would like to invite all scholars and experts to attend the conference to be hosted at beautiful historical city Gwalior. The conference will include many regular sessions on the topics listed below and some special sessions on emerging topics. Research papers with original work in all aspects of Electronics, Computers and Communications are invited. The topics for regular sessions include, but not limited to the following fields:

- VLSI Design
- Signal procession
- Micro and Nano Systems
- Graph Theory and Petri Nets
- Display Technology
- Embedded System
- Intelligent System
- Modern Control
- Solid State Circuits
- Semiconductor Devices
- Computer Aided Design
- Fuzzy and Neural Networks
- Linear/Non Linear System
- Circuit Power Electronics
- Verification and Test Technology
- Artificial Intelligence
- Adaptive and Learning Systems
- Computer Vision
- Image Coding and Analysis
- Multimedia Services and Technology
- Biocomputing
- Computer systems and Applications
- Face Detection and Recognition
- Internet Technology & Applications
- Watermarking
- Operating system
- Software System
- Object Extraction and Technology
- Database and Data Mining
- Optical Communication and Components
- Multimedia Communications
- Cooperative Communications
- Circuits and Components for Communications
- Antenna and Wave Propagation
- Audio/Speech/Image/Video Signal Processing
- Cross-layer Design
- Mobile and Wireless Communications
- Network Management & Design
- RF Systems
- IP networks and QoS
- Ubiquitous Networks
- Surveillance and Security Technology
- Home and Building Automation
- Industrial Automation
- Intelligent Transport Systems
- Computer Aided Education
- Reconfigurable Computing
- Mobile Computing
- Sensor Networks
- Agents and Distributed Computing
- Human-Computer Interaction
- Multimedia and Data Management
- Embedded Operating Systems

Paper Submission

Authors are invited to submit full paper of maximum length four pages. All the papers must be formatted either in MS word or pdf written in English. The authors need to submit paper through e-mail to pks_65@yahoo.com. At least one Author of each paper must be registered for the conference in order for the paper to be included in the proceedings of the conference.

Important Dates

Deadline for the submission of the paper: Feb. 01, 2010
Notification of Acceptance: Feb. 09, 2010
Conference Advance registration: Feb. 22, 2010
Conference Dates: March 06-07, 2010

Registration Fee

Upto Feb. 22, 2010
For students Rs.500/-
Others Rs.1000/-
After Feb. 22, 2010
For students Rs.700/-
Others Rs.1500/-

Contact Address: Prof. P.K.Singhal, Dept. of Electronics, Madhav Institute of Technology & Science, Gwalior – 474 005, E-mail : pks_65@yahoo.com
